

ANTENNA FLAG HOLDER

4217

FITS: UNIVERSAL ANTENNA MOUNT APPLICATION

PART#	INCLUDED
404217OT	1 Outside Tube
404217IT	1 Inside Tube
404217RS	1 Rubber Stop
404217WF	1 White Flag
404217AF	1 American Flag
304217	1 Installation Instructions

TOOLS SUGGESTED

Liquid Hand Soap

PROCEDURE

STEP 1 Using your liquid hand soap, lubricate the hole in the Rubber Stop so the tip of the antenna can easily slide through the Rubber Stop..

STEP 2 Slide the Inside Tube (smaller tube) in place on the antenna with the large end down. See PIC.1.

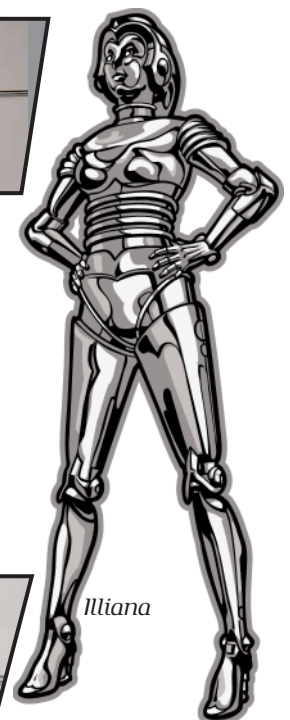

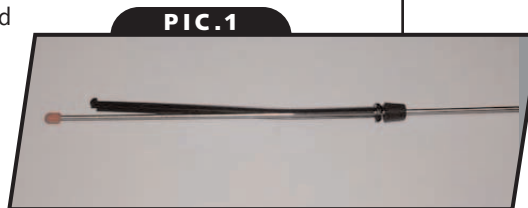

STEP 3 Slip the flag over the antenna and over the Inside Tube. See PIC.2.

STEP 4 Compress the flag down to allow room to slide the Outside Tube (with the large end up) onto the Inside Tube locking the two tubes together.

Once the Inner and outer tubes are started together, feed the flag up over the tubes. Slide the tubes together until the ends match up and the flag is in place. See PIC.3.

STEP 5 Slide the Rubber Stop up against the locked Inside and Outside tubes and the installation is complete. See PIC.4.

STEP 6 For a lower position on the antenna, place the second rubber stop above the tube and flag assembly and slide down to the desired position.
